 NOTES TO ANNUAL BUDGETED EXPENDITURE LIMITATION REPORT

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Annual Budgeted Expenditure Limitation Report (ABELR) is presented on the basis of accounting prescribed by the Uniform Expenditure Reporting System (UERS), as required by Arizona Revised Statutes(A.R.S.) Section 41-1279.07, which excludes expenditures of certain revenues specified in the Arizona Constitution, Article IX, Section 21 from the total budgeted expenditures.

The information reported in both the ABELR and the financial statements is derived from the same underlying accounting data. However, the formats of the ABELR and the financial statements differ. The ABELR presents budgeted expenditures, exclusions, and amounts subject to the limitation by fund type as required by A.R.S. section 41-1279.07. The financial statements present the net assets, changes in the net assets and cash flows for the District as a whole in accordance with accounting principles generally accepted in the United States of America.

In accordance with UERS requirements, a note to the ABELR is presented below for any exclusion reported in the total column on Part II that cannot be traced directly to an amount reported in the annual financial statements.

NOTE 2 - The exclusion claimed for debt service requirements on other long-term obligations of \$303,095 is reported in the Statement of Cash Flows – Primary Government as principal and interest paid on capital debt.

NOTE 3 - The following schedule presents revenues from which exclusions have been claimed for grants and aid from the federal government and contracts with other political subdivisions.
